Delvelamos los nombres y demás datos de los ganadores, quedando pendiente sólo los del último mes

En el número anterior no pudimos consignar los nombres de los ganadores de noviembre y diciembre, pues ciertas eventualidades se sumaron para que así sucediese. Por ejemplo, el suscriptor sorteado como probable ganador del primer premio de noviembre no contestó el telegrama que CINA le mandó a estos suscriptores para que envíen los recibos probatorios de sus estados de cuenta y hubo que extender el plazo legal de 21 días a 15 días, lo que motivó el atraso y la consiguiente imposibilidad de incluir la nómina exacta de los ganadores de ese mes. En diciembre llegaron las fiestas y con ellas el sorteo de fin de año, por haber coincidido con el cierre de nuestro suplemento, nos dejó sin tiempo material para publicar el nombre de los suscriptores beneficiarios.

Esta impase finalmente culminó y hoy estamos en condiciones de que se los conozca. Enero hasta el momento no tiene ganadores, sólo la nómina de los treinta sorteados, pues aún se están verificando. Quiere decir entonces que la incógnita se mantiene para ese mes, pero si usted está dentro de esta lista aún puede ser el ganador de la pick-up Peugeot o del Fiat Fiorino. Si su nombre no figura, ¡qué pena! ¡qué pena! porque mientras dura su plan, en cualquier mes, usted puede salir favorecido.

Confirmamos seguidamente a los ganadores verificados.

1er. premio de noviembre:

La ganadora de la Pick Up Peugeot 504 de noviembre se llama MARIA CRISTINA TORRES, es tucumana, sol

los ganadores, quedando pendiente sólo los del último mes

embre, diciembre

TESE, es médico cardiólogo y dirige su propia clínica cardiológica ubicada en la calle Laprida esquina Dargueira, también de Baradero, y son padres de ALEJANDRO, de nueve años, que cursa el cuarto grado en la Escuela Fray Luis Bolaños.

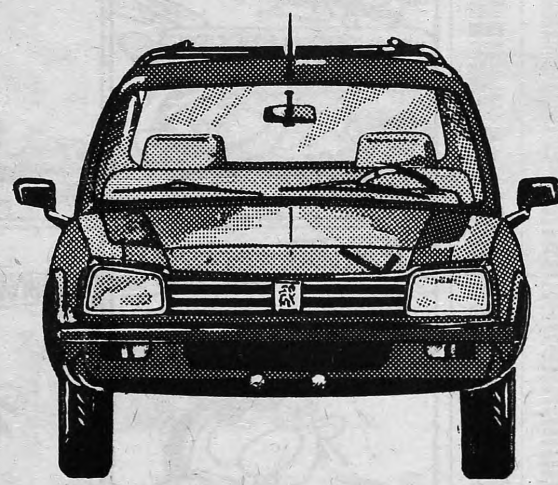

Aparte de su casa, Marta atiende desde hace cinco años su negocio de venta de calzado femenino llamado Calzados Marta, ubicado en la calle Aráoz 1018, a escasos metros de su domicilio particular.

Nuestra amiga, nacida en Santa Fe, Marta de Cortese ganó el premio cuando estaba saldando la compra de un Lavaseca Aurora 1000 mediante un plan de quince meses y entrega pactada.

Pero éste no es el único electrodoméstico de la línea Aurora Grundig que tiene. En su casa vimos una cocina Aurora y piensa incorporar un lavavajilla muy pronto.

Marta Alfano de Cortese se auto define como una persona muy casera a quien le encanta hacer, entre otras cosas, asados en el confortable quinchito de su casa. También estudió danzas durante nueve años, piano otros cinco y le fascina la docencia, ya que es maestra y hoy flamante dueña de la Pick-Up Peugeot 504, primer premio del Concurso Usted Cumplir, Usted Ganar, que piensa disfrutar desde el primer minuto en que tenga las llaves de su fabuloso 0 Km.

Vayan para los esposos Cortese

nuestras sinceras felicitaciones y deseos de que disfruten el premio con toda felicidad.

2do. premio de diciembre:

Trabaja en el edificio Libertador, es militar de carrera con 23 años de servicio en el arma de infantería y es el

ganador del Fiat Fiorino correspondiente al segundo premio.

Su nombre es MARCELO REINALDO LARA y le pertenece el Fiat Fiorino, segundo premio del mes de diciembre.

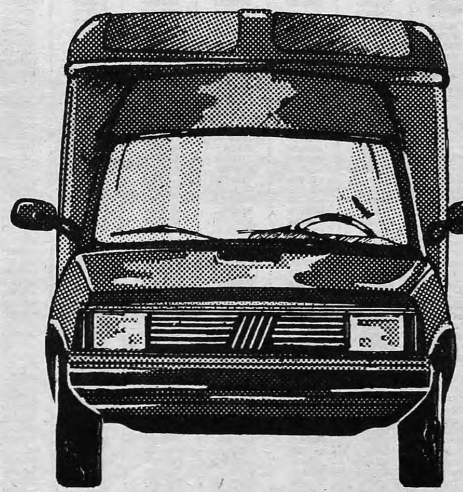

Está casado con NORMA EUGENIA MENDEZ, ama de casa, y son padres de dos niñas: MARIELA EUGE-

NIA, de doce años, y ANDREA CECILIA, de siete, ambas concurren a la Escuela General San Martín de Ruta 8 y Avenida Márquez, donde cursan sexto y cuarto grado respectivamente.

La familia LARA vive en la calle General Mitre 7977, Loma Hermosa, partido de San Martín, en la provincia de Buenos Aires, y mediante la

suscripción a un plan de cincuenta meses por un televisor GRUNDIG de 21", ganaron el Fiat Fiorino en la séptima cuota.
